Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0 for <u>in-network providers</u> \$1000 person/\$2000 family for <u>out-of-network providers</u> .	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes, in-network because there is no <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
	No, when out-of-network.	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet specific <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For <u>in-network providers</u> \$8,150 individual/\$16,300 family; for <u>out-of-network providers</u> \$2500 individual/\$5,000 family.	The in-network <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, penalties for failure to obtain preauthorization, & health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.32bjfunds.org</u> or call 1-800-551-3225 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You pay the least if you use a 5 Star Center <u>provider</u> . You pay more if you use a preferred <u>provider</u> in the plan's <u>network</u> . You pay even more if you use a non-preferred <u>provider</u> in the plan's <u>network</u> . You pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>in-network provider</u> might use an <u>out-of-network</u> <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
